

## Enhancing Your Community's Libraries!

The people of Worcester County are increasingly turning to a valuable community resource they share in common - their public library. The Worcester County Library Foundation, Inc. is a not-for-profit, tax-exempt, 501(c)(3) organization which exists to support and enhance library service in this County.

The Worcester County Library Foundation is asking for your help in carrying out its important mission. You and your family members or business are invited to join the Foundation and support its effort to provide enhanced library services as well as cultural and educational programs. Your tax-deductible annual membership will help ensure the future of our libraries and our communities.
